“Kudos to Deb Huang (PGY-3) for being an amazing senior on nights! She was incredibly supportive and helpful while making sure to respect my autonomy with clinical decision-making. She took the time to teach clinical pearls on the fly. She made nights fun and enjoyable, and it was one of the best weeks of residency I’ve had so far!” - Toni Cao (PGY-2)

“Kudos to Deb Huang (PGY-3) and Toni Cao (PGY-2) for their amazing decorating of the team room!” - Brian Stamm (PGY-3)

“Shoutout to Jesus (environmental services technician, 10th floor) - he is always extremely friendly and brightens up everybody’s day!” - Rebecca DiBiase (PGY-2)

“Kudos to Rafal Sobota (PGY-4) & Deb Huang (PGY-3) for signing me out of the pager early on multiple evenings during my consecutive weeks on the neurology ED rotation. Getting home at a reasonable hour really increased my wellness!” - Brian Stamm (PGY-3)

“Kudos to all the residents who have been participating in our virtual applicant social events!” - Dr. Bega

“Just wanted to give a huge thank you to Renee Hansen (Lead APP, NSICU) for helping us coordinate coverage for a resident who must be off ICU for a month. Renee and the rest of the ICU team were extremely flexible. Also, shout to Juan Deliz (PGY-2) for stepping up and switching out his vacation weeks! It’s been a crazy few months coordinating and changing schedules and the teamwork is much appreciated!” - Christina Lineback (PGY-4)

“Kudos to Dan Tong Jia (PGY-2), Leonard Sokol (PGY-3), Jakita Baldwin (PGY-4), & Jennifer Adrissi (Movement Disorders Fellow) for joining the Neurosciences Health Equity, Diversity, & Inclusion Committee!” - Dr. Bega

Kudos to Nikhil Dhuna (PGY-4) for his recent review with Dr. Malkani in Current Sleep Medicine Reports “Antidepressants and Their Impact on Sleep.” [https://link.springer.com/article/10.1007/s40675-020-00189-5](https://link.springer.com/article/10.1007/s40675-020-00189-5)

Congrats to Leonard Sokol (PGY-3) on his publication in Palliative Medicine Reports “Social media perceptions of legacy-making: a qualitative analysis.”
